Steps to Generate SBI ATM (Debit Card) PIN through SMS using SBI Green PIN Service

Follow below simple steps to generate your SBI ATM PIN through SMS.

Step 1: Send an SMS to 567676 from your **SBI Registered Mobile Number** in the below Format.

PIN<xxxx><yyyy>

Replace **xxxx** with the last Four digit of your Debit card Number.
See the marked area in the below image.

Replace **yyyy** with the last four digit of your **SBI Bank Account Number**.

Step 2: Now you will get an **OTP (One Time Password)**. You can use this OTP to generate new Debit card ATM PIN from any nearest SBI ATM Counter within the 24 Hours.

Please note that the OTP will be valid only for the 24 Hours.
